

Weston Road / New Kingsway Improvements

This brief questionnaire is intended to record your concerns regarding pedestrian and traffic issues on Weston Road and New Kingsway. Your thoughts and comments will assist us with the decision to proceed with the works.

Name

Address

Providing contact details is optional

Are you satisfied with the following improvements on Weston Road?

Yes No

1. Pedestrian Islands to assist crossing
2. Right turn lanes to assist vehicle movement into Weston Coyney Road and New Kingsway
3. New bus stop location near to the existing controlled crossing
4. Carriageway loop detectors to assist vehicle movement from New Kingsway

Comments

Are you satisfied with the following improvements on New Kingsway?

Yes No

1. Widening existing carriageway to assist two-way traffic
2. Provide short stay parking
3. Providing "No Waiting / No Loading At Any Time" to maintain two-way traffic flows, especially during peak times

Comments

The information you have provided will be stored and used within Stoke-on-Trent City Council only for the purpose of the above proposal. Regrettably responses to individual comments will not be provided due to large numbers consulted.
